WOMAN'S MISSIONARY UNION

Our activities for the past year have included: World Day of Prayer, November 7th, Week of Prayer for Foreign Missions, Week of Prayer for Home Missions, planned and participated in Springfest, a workshop for leadership for Region 6 held in San Antonio. Our Acteens group (Chapel of Hills has the only one in our association) went to National Acteens Conference held in Ft. Worth in July. Some of our group attended Dayspring, an evangelism emphasis, sponsored by Foreign Mission Board, Home Mission Board and Womans Missionary Union. This year it was held in Texas-Ft. Worth.

Approximately twenty women attended Texas Leadership Conference (House Party) held each year at Baylor. Our group represented five churches in the association. Many of these taught in our own workshop held October 1st to train leaders of WMU in our churches. If needed these same leaders will come to help you organize or strengthen your WMU.

I have attended the two Executive Board meetings for the State-one held in Lubbock and the other one in Dallas.

Ten of our seventeen churches and one mission have WMU. Three others have a WMU Director elected by the church but do not have any organizations. Missions education is vitally important to our churches and to our denomination. The organizations in our association include: 11 Baptist Women (one church has two organizations), 3 Baptist Young Women, 1 Acteens, 4 Girls in Action, and 4 Mission Friends.

The associational officers for 1984-1985 are:

Director Mary Clarke
Asst. Director Bertha Mae Lee
Corres. Sec. Goldie Webb
Recording Sec. Ruby Rogers
Baptist Women Director Nina Odom
Baptist Young Women Director Pam Ratliff
Acteens Director Lois Jackson
GA & Mission Fr. Director Jan Merrell
Mission Support Effie McAlpine
Mission Action Vera Mae Murchison
Musicians Victoria McNeeley, Joyce Carter, Alpha Turney

We thank the Association for your support of Womans Missionary Union.

Mary Clarke, Director

ASSOCIATIONAL MISSIONS COMMITTEE REPORT

The Burnet-Llano Association has continued the funding of our Hispanic Mission work in Burnet and the Hoover Valley Baptist Mission.

The Association gave permission to relocate the Association's portable building to Hoover Valley Baptist Mission, and approved the necessary funds to assist in the move. However, this has not been done because of difficulty in securing a moving permit.

Planning for new mission work in the Association will be given serious consideration again as part of Associational Strategy Planning, April 20-21, 1989.

The following report of our Resort Ministries is an exciting one, thanks to our chairman of Resort Ministries, Jim Bates:

Jim and Lis Dean did a superb job this summer. They demonstrated a great deal of expertise and commitment as they performed various ministries in a resort setting.

The Deans participated in or led worship services in almost every church in the Burnet-Llano Association. Churches were still calling and asking for their leadership in services when the work was ended in August.

One of the most exciting aspects of Jim and Lisa's work was their rapport with the park personnel. Roger Rosenbaum, park manager, said, "This young couple did a great job this summer, and they have a standing invitation to stay in my home anytime they are in this area."

Only the Lord can know the ultimate value from the Deans' ministry to several thousand campers in Inks Lake State Park and to churches in the surrounding area.

William S. Moseley, Chairman
Associational Missions Committee

ASSOCIATIONAL STEWARDSHIP REPORT

You will be pleased to know that gifts to Associational missions in Burnet-Llano Association reached an alltime high this year. Our Treasurer reports gifts in the amount of \$51,354.42, from our churches. This compares with a previous high of \$45,949.39. Praise God for supplying strong mission support for the mission work being done right here in our Association.

The shortfall in the state Cooperative Program is improving a bit, but still our churches must, simply must be aware of the dire consequences of lessening our interest and participation in the ministry of God's Word around the world. Pray that the world missions support of Southern Baptists will be sufficient to meet the challenges of world evangelization.

James Franklin
Associational Stewardship Director

ASSOCIATIONAL EVANGELISM REPORT

The evangelistic emphasis for Burnet-Llano Baptist Association through this year and next will be SHARE JESUS NOW, a state-wide simultaneous, soul-winning campaign that will climax in February and March, 1989. We hope to see 3,000 churches and missions participating toward mobilizing 89,000 soul-winners trained to share the plan of salvation with 1,000,000 lost Texans.

The two month period in February and March of 1989 will be designated "60 Days in the Field." This will be the targeted time for the trained soul-winners to go into the fields, "white unto harvest."

I trust that all of our churches in Burnet-Llano Association have voted to participate in SHARE JESUS NOW. It will be very important that each one make a commitment to be involved in the personal witnessing that is necessary to win the lost to Christ. We Texas Baptists have always given evangelism a top priority.

The number of baptisms reported by the churches in our Association in 1987 was 259. The number for 1988 is 262. If we are committed to SHARE JESUS NOW, we shall see a significant increase in the number of professions of faith and the number of baptisms for this next year!

Be encouraged to calendar a "Harvest Revival" in your church during April, 1989, and be reminded of the HERE'S HOPE simultaneous revivals in 1990. The dates for our region will be March 11-24.

Stanley Nixon
Associational Evangelism Director

AREA MISSIONS COMMITTEE REPORT

Billy Clarke retired as the Hill Country Baptist Area Director of Missions, December 31, 1987, after serving the Hill Country Area for 13 years.

Burnet-Llano Association gave Billy and Mary Clarke a retirement Party on December 3, 1987. They were presented with a 40 inch television and a cash gift. We express our deep appreciation to the Clarke's for their many years of faithful service.

We welcomed our newly elected Director of Missions, Robert Schmeltekopf and his wife Bettye to Burnet-Llano Association in the January Associational Meeting.

The Area work has gotten off to a good start. Brother Schmeltekopf began his work in temporary office space in the Althaus Acres Building in Fredericksburg, and continued there until June 1. We want to thank the Faith Baptist Church of Fredericksburg for making this space available.

On June 1, 1988, the Schmeltekopfs moved into their newly built home at 127 Tanglewood, in Fredericksburg, which also houses the area office. Fredericksburg was decided upon because of its central location to both associations. The two associations shared in the expenses of office space, office furniture, and moving.

Area Missions Committee Chairman

1988 Associational Church Training Report

- I. Of 17 churches in the Burnet/Llano Association only about 10 have any type of Church Training.

Associational Music Program Report

The music ministry in Burnet-Llano churches is better now than it has ever been. More people are being involved. Our churches are striving to produce good music regardless of their size.

Music is a world-wide language that communicates to every race and culture. Church music is designed to tell the story of a Christ who died for us and wants to save us.

ASSOCIATIONAL YOUTH REPORT

January 30, 1988, a Youth Rally was held at First Baptist Church, Burnet. Al Denson, a young singer/songwriter/musician growing in popularity in the contemporary Christian music field, was featured in concert. Approximately 150 young people and sponsors attended from 10 different churches, including two from outside the Association.

On May 21, 1988, Buckner Boys' Ranch was the site of the Great Blowout. Again, about 150 young people from about 6 churches and the Boys Ranch participated. It was an afternoon of games and food, followed by a concert in the Chapel by Rick Black, a music evangelist from Spring, Texas.

Our Association again joined with Lampasas Association for Youth and Preteen Camp at Highland Lakes Baptist Encampment. Brad Davis was camp director. Camp was held June 27-July 1, 1988. Mike Curry of Little Rock, Arkansas, was camp pastor, and Jeff Lynn of Dallas led the music. Attendance was 290, with 28 professions of faith, 44 rededications, and 5 for special service.

Brent Pittman
Associational Youth Director

CHURCH EXTENSION REPORT

This has been a very productive year. There will be about 200 Cooperative Agreements to begin new work processed this year. Included in the 200 new congregations are approximately 16 Asian, 74 Anglo, 71 Hispanic, 9 Black and 29 Others. The Others group includes African, Arabic, Asian Indian, American Indian, Haitian, Brazilian, Ethiopian, Filipino, Jewish and Romanian. Twenty four of these new congregations were started in the Central Texas Region.

Even though some new churches are being started, we must intensify our efforts. When I began my work with you in 1979 there were about 5 million lost and unchurched people in Texas. That number is now about 8 million. We must strengthen the outreach ministries of our present churches and greatly increase the number of new churches. I would challenge every church to have a direct part in helping to begin a new church in 1989.

Church Extension Consultant

REPORT AND RECOMMENDATION
FROM THE CONSTITUTION AND BYLAWS REVISION COMMITTEE

REPORT: On March 7, 1988, the Burnet-Llano Baptist Association Executive Board authorized the Moderator to appoint a special Constitution Revision Committee, and that such revisions be submitted during the 1988 Annual Meeting for consideration and decision. The Moderator, Jerald Moore, appointed Jim Morrow, chairman, Stan Nixon, Weldon French, Doyle Turney, and Jim Bates to serve on this special committee.

The Committee did its work during March and April, and on May 2, the proposed revision of the Constitution and Bylaws was presented to a joint meeting of the Executive Board, the W.M.U. ladies, and a number of other interested persons from member churches in the Association. This group gave its unanimous tentative approval to the revised document.

REASONS: The revised document is designed to accomplish the following:

1. It separates the essentials from the non-essentials in the Constitution.
2. It creates flexibility in establishing new committees and new program organizations without having to revise the Constitution each time.
3. It establishes a rotation system for all standing committees.
4. It allows the Association to establish an Associational Council.
5. It creates a Policy Manual that contains matters subject to periodic revision, i.e. program organization descriptions, committees and their responsibilities, and job descriptions.
6. It expands the organization of the Association so more people can be involved.
7. It establishes guidelines for starting new work.
8. It changes the fiscal year to January 1 through December 31, and creates policy for money management.
9. It creates several new standing committees.
10. It establishes a closer relationship between the D.O.M. and the Association.
11. It calls for an annual evaluation of the D.O.M. by the Association.
12. It adds paid church staff members to the Executive Board.
13. It provides an Associational organization flow chart.
14. It establishes guidelines for Hispanic Fellowship and other Fellowship groups.
15. It updates terminology so it will be consistent with BGCT and SBC terminology.

RECOMMENDATION:

The Constitution and Bylaws Revision Committee recommends that the Burnet-Llano Baptist Association, meeting in annual session, October 10, 1988, adopt the proposed revision of its Constitution, along with the accompanying Operations Manual, as presented in the printed material.

RECOMMENDATION FROM THE PROGRAM COMMITTEE

Richard Rust, Chairman

The Program Committee recommends that our Association adopt the proposed calendar, pages 1-3, as our program of activities for the 1988-89 associational year, and that changes in calendaring during the year be subject to Executive Board approval.

RECOMMENDATION FROM THE NOMINATING COMMITTEE

Joe Orr, Chairman

The Nominating Committee recommends that our Association approve the list of officers, committee members, and program organization workers printed on pages 4-6, and that any deletions or additions made during the year be approved by the Executive Board.

RECOMMENDATIONS FROM THE BUDGET AND FINANCE COMMITTEE Stan Nixon, Chairman

1. The Budget and Finance Committee recommends that our Association adopt the 1989 proposed budget printed on pages 7-8, and that any changes during the year be subject to Budget and Finance Committee review and Executive Board approval.
2. The Budget and Finance Committee recommends that our Association extend the current operating budget through December, 1988, until the 1989 budget takes effect.
3. The Budget and Finance Committee recommends that our Association authorize a member of the Budget and Finance Committee to co-sign all checks along with the Treasurer.
4. The Committee also recommends that our Association give it authority to determine the depository of the Association's account in the event a change seems appropriate.

RECOMMENDATION FROM MISSIONS COMMITTEE

Bill Moseley, Chairman

The Missions Committee recommends that our Association donate to Hoover Valley Baptist Mission the portable building now owned by the Association, and presently located at First Baptist Church, Kingsland.
